PART II. ARCHITECTURAL DESCRIPTION

A. General Statement

1. Architectural character: This is an example of a brick business building from the 1820's, with a shop on the ground floor and an apartment for the owner on the upper floors.
2. Condition of fabric: Fair.

B. Technical Description of Exterior

1. Overall dimensions: 21' (three bay) front x 22' deep, three-and-one-half stories, facing west. Small brick wing on east. Divided by brick party wall from adjoining building on north.
2. Foundations: Stone
3. Wall construction: Brick. South side partly stuccoed over.
4. Chimneys: Two brick chimneys in south end wall.
5. Openings:
 - a. Doorways: Later store front on first floor with cast iron posts. Entrance to stair hall to upper floors on north end of west front side.
 - b. Windows and shutters: Double hung windows, some six light sash, single openings with brownstone sills and lintels. Shutter hardware, but no shutters.

6. Roof:

- a. **Shape, covering:** Gable roof, asphalt roofing. Roof laid in mortar for fireproofing according to 1926 fire insurance record.
- b. **Garnice:** Milled wood cornice with drilled ovalo bed mold. Brick parapets at south gable end and part wall carry above roof.
- c. **Burners:** Low monitor, full width of roof, with three over three light double hung windows.

6. Technical Description of Interior

1. **Floor plans:** First floor rebuilt many times for different shops, front and back rooms in main block, one room in rear wing. Stairway on north side leads to small second floor hallway with stairs to third floor and attic. Second floor apartment has two rooms in main block plus rear wing. Third floor apartment has three rooms in main block plus rear wing. Three rooms in attic.
 2. **Stairways:** Straight run, enclosed stairway from entrance to second floor. Single, L-shape stairs from second floor to attic, open string, turned rail, slender rectangular balusters.
 3. **Flooring:** Wood floors mostly covered with linoleum.
 4. **Wall and ceiling finish:** plaster.
 5. **Doors and doorways:** Various types of later doors. Raised panel doors in single molded frames in attic apparently original.
 6. **Hardware:** Miscellaneous later hardware.
 7. **Lighting:** Electric.
 8. **Heating:** Stoves. Original fireplaces in apartments closed.
- D. Site:** Northeast corner of South Main Street and Harding's Alley, faces west, on sidewalk line on west and south sides, party wall on north side, run-down business district, lot slopes up to rear, small rear yard.
